

## Year 1 Homework Spring 2

Below you will find a grid of homework tasks. We would like you to choose **one** a week to complete. When you have completed a task you will get a dojo point. There will be 5 dojo points available for homework that shows great effort or achievement. We are **expecting 6 tasks out of the 9** to be completed before the end of term; you may choose which ones you complete. The core knowledge sheets can be found on the school website.

Maths To complete multiplication questions. Find attached the questions and example.	English Write a letter to someone living in the stone age. What questions could you ask them?	History Create a fossil.
Geography Write down facts about your favourite country in the UK.	Science Design a poster about the four seasons.	Art Create a flower using the pointillism technique. ( colour by dots) You can use paints/ feltips or crayons. 
Maths To complete division questions. Find attached the questions and example.	English Create a rhyming poem about an alien.	Surprise us! You can do anything as long as it's linked to the weather.

Children should be reading and practising spellings every day.

Spellings will come home on a Friday, they will be tested the following Friday. Please use [www.spellingshed.co.uk](http://www.spellingshed.co.uk)- logins are in back of their reading records. New assignments will be submitted online to be completed.

If you need any paper please speak to a member of staff.

Thank you for your continued support.
