21st March 2019

Dear Parents/Carers

We have received some concerning information from a member of the public who was driving to work on Monday morning and passed a number of Elstow pupils who were approaching school on their scooters zig zagging across the main road with no regard for their safety or the safety of other road users.

If you entrust your child to come to and from the school unaccompanied on their scooters, bikes or on foot, please ensure that they are aware of and follow road safety rules, showing respect to other road users.

This incident was a very lucky near miss, I am sure you would not like to be on the receiving end of a telephone call that could have ended quite differently. We applaud the member of public who called the school to inform us of the incident and cordially ask you to reiterate the reasons of keeping 'road safe' to and from school and the implications of this to your children. Please help us to keep the children of Elstow School safe.

Thank you for your co-operation.

Miss Sam Baxter

Principal
