

"FRIENDS OF ELSTOW" - SUMMER FAIR 5th July 2019

Thank you so much to those of you who attended and supported our Summer Fair this year, we hope that you all enjoyed the event. We would like to take this opportunity to thank the people who donated to our raffle and volunteered their time in order to make it the success that it was:

David Blacker of fenceinstallers.co.uk who gave us his time and expertise for free to remove the fence panels which allowed us to have both our swing boat ride and the bouncy castle on the grassed area at the front of the school. He returned on the Saturday morning to ensure the school was again secure for Monday morning.

Simmons Florist for their kind raffle donation.

Giorgia Barberi for the clubbercise vouchers.

Meraki Beautique donated both a mini massage and a gel manicure.

Premier Stores also donated to the raffle.

Centre Parcs donated a family day pass - with thanks to our reception mum who managed to negotiate this prize.

Kidz World donated vouchers for free entry.

A homemade cake was baked by another of our reception mums.

Rev Paul from Elstow Abbey for giving his time and sourcing some of the many games on offer.

We would also like to thank the volunteers on the day, both the parents and staff of Elstow school who gave up their time without whom these events would not be able to take place.

If you would like to get involved with the planning and organising of these events in the future all ideas and offers of assistance are very welcome please let us know.

Elstow school would like to say a big "THANK YOU" to Sam White for her hard work in organising this event which was well received by all. We look forward to many more in the future.
