*Thank you to many of you for your feedback regarding the letter about Speech and Language Therapy, hopefully you will have had a follow-up letter from CCS. If you have any feedback regarding this process please make sure you let us know so we can feed back.*

**IPSEA Training** – we have arranged some IPSEA Training for **Thursday 10<sup>th</sup> October**, details have been sent out separately but if you would like to book on please email me [communications@bbpcf.org.uk](mailto:communications@bbpcf.org.uk) [www.ipsea.org.uk](http://www.ipsea.org.uk)

**Sensory Processing Training** – Darren Lowe has organised some training around Sensory Processing for parents who believe their children may be affected by this. This will be on **Monday 16<sup>th</sup> September** at King's House from 10-1 (however please arrive from 9.30 for prompt 10am start). This will be followed by lunch for all attending. Please email me to book your places and let us know of any dietary requirements [communications@bbpcf.org.uk](mailto:communications@bbpcf.org.uk)

There will also be more OT training coming which we will update you on once we have confirmation of dates and venues – watch this space...

We are not a support group

We are not a protest group

We cannot advocate for individual cases

But...

We need feedback from parents in order to represent their voice

Please remember the forum is here to listen to your feedback, both positive and negative stories....
