

We are the voice for Parent Carers of children & young people 0-25yrs with Special Educational Needs or Disabilities in Bedford Borough. We feed back your views to Education, Health, Social Care and other departments that provide SEND services.

We are passionate about improving services for our children & young people, we've all had different experiences so we need to hear **your** views.

We hold regular Coffee Mornings, events and training sessions for parents to come along, give their views, meet other parents and to empower you to advocate for your child.
