Message from the Principal

We would like to thank all of our families who supported us in raising money for Children in Need. I can confirm that we raised £310.55

Can I please remind our families that we are a nut free school. There are a number of our children who suffer from nut allergies and can develop a severe reaction when in proximity to products containing nuts. Please also remember to directly inform Innovate if your child has school dinners and has any food intolerance or allergies.

Our exciting building project is now well underway and the pupils have been fascinated to see the changes each day. The classes have been very sensible and helpful with regard to areas of school that are temporarily out of bounds.

Finally a polite reminder—please can all parents/carers park considerably and responsibly in designated parking areas when dropping off and collecting pupils.

Have a great weekend,

Mrs Ciantar

Year 2

Year 2 had a visit from Ark Farm to meet lots of different animals and learn all about them. They learnt about nocturnal animals too and got to see sugar gliders, a hedgehog and a lizard. The year group were very excited to meet Plop the Owl, who they have been reading about in their class book.
