Message from the Principal

This term, all PE is due to be outside on the playground or on the field so lets hope the warmer weather is on the horizon as it has been a bit breezy this week!

Year 5 have started their steel pans unit in music this week. They've been learning about the heritage of steel pans and the technique for playing them. Over 11 weeks they'll be learning a range of songs to put together in a performance. We can't wait!

The children in EYFS have welcomed chicks into the classrooms this week. The children have loved watching the eggs hatch in the incubator and enjoyed seeing the chicks beginning to grow in their temporary home. They will spend the next two weeks learning about the lifecycle of a chick as part of their Understanding the World topic – Growing and Changing.

The children can't wait to hold the chicks next week when they are a little stronger!

Have a lovely weekend.

Mrs Ciantar
